AEG is WBENC and WOSB Certified, affirmative action employer and equal opportunity workplace that celebrates diversity through a passionate commitment to cultivate an inclusive, merit-based, and progressive culture.

CAPABILITY STATEMENT

Arch Equipment Group, LLC is a proud woman-owned business that provides professional, comprehensive management solutions for the entire lifecycle of clients' fleet equipment. Our integrated solutions team oversees all facets of fleet management from vehicle/equipment purchase, preventative maintenance, annual DOT, ANSI, & Dielectric inspections, and mobile field equipment and truck repair service so our customers can focus on the demands of their business. We are a trusted partner for the industries that never sleep and where off days are not an option. Our growing portfolio encompasses the agricultural, construction, forestry, heavy equipment, municipal, transportation, and utility sectors.

Our two centralized locations in Granite City, Illinois, and Fredericktown, Missouri, allows convenient access to the St. Louis metropolitan region, Illinois, and Missouri with prime access to four interstates.
